

AN AFTERNOON IN CALCULUS OF VARIATIONS

- 15:30** **Antonio Tribuzio**
Institute for Applied Mathematics, Universität Bonn
Energy barriers for boundary nucleation in a two-well model
- 16:20** *Coffee break*
- 16:40** **Raphaël Prunier**
Université Paris Dauphine
Optimal control and shape optimisation of a bulk-surface cooperative system
- 17:30** **Serena Dipierro**
The University of Western Australia
Nonlocal free boundary minimal surfaces

22 may 2025, Aula Riunioni
Dipartimento di Matematica, Università di Pisa

Organizers:
Lorenzo Ferreri, Maria Stella Gelli, Ilaria Lucardesi

**Dipartimento
di Matematica**

Dipartimento di Eccellenza 2023-2027

European Research Council
Established by the European Commission
