of Basel

Professor in Mathematics

The Faculty of Science invites applications for a tenured position. We are seeking candidates with an outstanding research record in all areas of Probability Theory. A strong commitment to excellence in undergraduate and graduate teaching is essential. This professorship represents the first step in the process to establish a new research focus in stochastics at the University of Basel.

Your profile

Applications, including a curriculum vitae, list of publications indicating the five most significant papers, a statement of current and future research plans and names of five potential referees should be sent by email (as .pdf file) to Prof. Dr. Jörg Schibler, University of Basel, Dean of the Faculty of Sciences, Klingelbergstrasse 50, 4056 Basel, Switzerland dekanat-phlnat@unibas.ch.

We offer you

The University of Basel is an equal opportunity and family friendly employer committed to excellence through diversity. To increase the number of women in leading academic positions, the University strongly encourages applications from women.

Applications received by December 31, 2015 are guaranteed full consideration
