LUCCA

# 2017/18 CALL FOR APPLICATIONS

## MULTIDISCIPLINARY PHD PROGRAM 36 POSITIONS

All positions are fully-funded (no tuition fees); the top 36 candidates will also receive a research grant (which will amount to €13,600 gross/year) and free housing in the School's residential campus.

All students will have free daily access to the canteen and library.

This year one PhD position is reserved for a candidate interested in writing his/her PhD thesis on economics and management within the context of a joint PhD agreement with the Katholieke Universiteit Leuven.

Candidates can apply if they receive their undergraduate degree no later than October 31st, 2017. Classes start on November 2nd, 2017.
