

## Call for Papers

### 2026 Vienna-Copenhagen Conference on Financial Econometrics

August 13-15, 2026, University of Vienna

We invite submissions for the upcoming **Vienna-Copenhagen Conference on Financial Econometrics**. This long-standing meeting series brings together researchers working on theoretical, methodological, and empirical aspects of financial econometrics, statistics, applied mathematics, and quantitative economics.

**Topics include** (but are not limited to): risk measurement and management, asset pricing, forecasting, high-frequency statistics, market microstructure, derivatives, and machine learning in finance.

The conference will take place at the Faculty of Business, Economics and Statistics of the University of Vienna located in the heart of Vienna. This is an in-person meeting only.

#### Keynote Speakers

Lasse Heje Pedersen, Copenhagen Business School

Shuping Shi, Macquarie University

Michael Wolf, University of Zurich & ADIA Lab
