

The Fondo Elena Moroni for Oncology
is pleased to announce that the contest for
The Enrico Anglesio Prize 2024
is now

OPEN!

From now on candidates may submit their applications with the
registration form below

Link to: [EAP2024 Online Application System](#)

Registration is required to predispose the organisation of the Prize
and candidates are required to complete registration within:

September 15, 2024.

Accepted candidates to the EAP 2024 must send both their
Dissertations and Video Presentations (see formats and rules
below) within:

October 6, 2024.

Dissertations and Video Presentations can be uploaded through the
same **[EAP2024 Online Application System](#)**

The **EAP online Award Ceremony** will take place on
November 15, 2024

The Enrico Anglesio Prize (EAP) is awarded to a young researcher (40 years of age
or less) who submits an original work in Cancer Epidemiology, Cancer Registration
and Oncology. Studies on methodology, descriptive data analysis or clinical studies
are all well-accepted
