

# Siena Finance Workshop

September 30, 2016

**First announcement and call for communications**

The Department of Economics and Statistics of the University of Siena is organizing a 1-day scientific workshop in Finance, including but not limited to

- ✎ Mathematical Finance,
- ✎ Quantitative Finance,
- ✎ Quantitative Risk Management,
- ✎ Financial Economics,
- ✎ Computational Finance,
- ✎ Financial Econometrics,
- ✎ Statistics of Financial Markets,
- ✎ Corporate Finance.

The programme includes invited speakers (tba) and some shorter communications.

If interested to contribute with a short communication, write to [sfw@unisi.it](mailto:sfw@unisi.it) by September 1, 2016.

A poster session may be provided in case of a high number of communication requests.

There is no registration fee, the organisation provides for coffee breaks and a light lunch.

Participants are kindly requested to register by September 10, 2016, by writing to [sfw@unisi.it](mailto:sfw@unisi.it).

*Looking forward to seeing you all in Siena!*

Claudio Pacati, Antonio Roma
