Associate Professor in Macroeconomics
Associate Professor in Mathematical Finance
(Call for Interest)

Data di pubblicazione 20/03/2014

Type of position:

Full time - Tenured

Discipline

Economics / Math finance

description:

The Department of Economics and Finance at LUISS Guido Carli (Rome) is seeking to fill tenured positions at Associate Professor level in Microeconomics, Macroeconomics and Mathematical finance.

Teaching needs are at all levels: Undergraduate, Masters and Ph.D, in English (and possibly Italian). Candidates will hold a Ph.D. from a recognized Research University, an established teaching experience and an appropriate record of publications in respected and highly ranked international journals. Candidates will also have either an associate professor status in a University or have recently obtained the appropriate national qualification (ASN) of the Italian University System (SECS P01 – SECS S06).

CVs may be sent only via email to:

Giorgio Di Giorgio, Dean, Economics and Finance, df@luiss.it

Application Deadline for expressing interest: 15/04/2014
