40th Finnish Summer School on Probability and Statistics

23 May – 27 May 2022

Lammi Biological Station, Finland

www.fdnss.fi

Jean-François Chassagneux (Paris Diderot)

Probabilistic numerical methods for non-linear PDEs

Fabrice Gamboa (Toulouse)

Large deviations, moment problems and sum rules

Ciprian Tudor (Lille)

Non-Gaussian selfsimilar processes

For registrations, see **www.fdnss.fi**
