

# ***HUMAN RESOURCES OF THE UNIVERSITY OF HONG KONG***

**Ref.** : 201200445  
**Posting Title** : **Tenure-Track Associate Professor/Assistant Professor**  
**Department** : Department of Mathematics  
**Closing Date** : November 30, 2012

---

Applications are invited for a tenure-track appointment as **Associate Professor / Assistant Professor in the Department of Mathematics**, from July 1, 2013 or as soon as possible thereafter. The position will initially be made on a three-year term basis, with the possibility of renewal and with consideration for tenure during the second three-year contract.

The position is to be held by an academic in Pure Mathematics. Special consideration will be given to candidates whose expertise overlaps with Algebraic Geometry, Arithmetic Geometry and/or Complex Geometry, but applications from candidates in any area of Pure Mathematics will also be considered. The appointee, who will be a regular professoriate member of the Department, will be associated with the Institute of Mathematical Research (IMR) (<http://www.hku.hk/math/imr>), a centre of the University of Hong Kong attached to the Department. He/She is expected to actively participate in research activities of the IMR and to take part in the organization of these activities such as research seminars, workshops and conferences. The appointee will share teaching duties as other regular professoriate members of the Department, but efforts will be made by the Department so that part of those duties will be fulfilled through the teaching of graduate level and advanced undergraduate level courses. For enquiries about the existing research activities and the specific job requirements, please write to Professor J. Lu, Head of the Department of Mathematics (e-mail: [jhlu@maths.hku.hk](mailto:jhlu@maths.hku.hk)).

A highly competitive salary commensurate with qualifications and experience will be offered. The appointment will attract a contract-end gratuity and University contribution to a retirement benefits scheme, totalling up to 15% of basic salary, as well as leave, and medical benefits. Housing benefits will be provided as applicable.

Applicants should send a completed application form, together with a C.V. containing information on educational experience, professional experience, a complete list of publications, a survey of past research and teaching experience, a research plan for the next few years, and a statement on teaching philosophy by e-mail to [scmath@hku.hk](mailto:scmath@hku.hk). They should also arrange for submission, to the same e-mail address as stated above, three reference letters from senior academics. One of these senior academics should be asked to comment on the applicant's ability in teaching, or the applicant should arrange to have an additional reference letter on his/her teaching sent to the same e-mail address as stated above. Please indicate clearly "Ref.: 201200445" and *which* level the candidate is being considered for (Tenure-Track Associate Professor/Assistant Professor in the Department of Mathematics) in the subject of the email. Application forms (341/1111) can be obtained at <http://www.hku.hk/apptunit/form-ext.doc>. Further particulars can be obtained at <http://jobs.hku.hk/>. **Closes November 30, 2012.**

The University thanks applicants for their interest, but advises that only shortlisted applicants will be notified of the application result.
